State of Indiana
Directory of Compliant NPMs

January 29, 2010

This Directory lists all Non-participating Manufacturers and brand families that are certified as being in compliance with the Master Settlement Agreement Protection Act and the Reduced Ignition Propensity Standards for Cigarettes Act. ONLY cigarette brands and roll-your-own (RYO) tobacco products listed on this Directory or on the Directory of Participating Manufacturers may be sold, offered or possessed for sale in Indiana. In order to be lawfully sold in the State of Indiana, both the NPM and the brand must appear together on this list.

Effective July 1, 2009, the Reduced Ignition Propensity Standards for Cigarettes Act (Ind. Code § 22-14-7 et seq.) provides that no cigarettes shall be sold or offered for sale to any person in Indiana unless thay are certified and approved as in compliance with the Act. The Act permits that inventory of the cigarettes existing on the effective date may be sold in compliance with Section 19(1) of the Act. Brands highlighted have not been certified under the Act. These brands are currently in the sell-off period, and are only legal for sale if the tax stamps were affixed prior to July 1, 2009. This Act does not apply to RYO tobacco products.

The Office of the Attorney General may periodically update this directory by either adding or removing brand families and/or non-participating manufacturers or making adjustments as requested by the Fire Marshal. Please contact the Office of the Attorney General at 317/232-6240 with any questions regarding this directory.
