BMV Hosts Grand Opening of Relocated Angola License Branch

ANGOLA—Kent Abernathy, Commissioner of the Indiana Bureau of Motor Vehicles (BMV), hosted a grand opening of the relocated Angola License Branch today.

The license branch is now located at 1913 North Wayne Street, Suite A and features automated testing stations and eight customer service terminals.

"I am excited about our new license branch here in Angola. This branch has an updated floor plan which will allow us to serve our customers more efficiently. Additionally, moving to the new space is a significant cost savings over the course of the lease."
