2010 Military & Overseas Voters' Guide

Military & Overseas Voters

Introduction

Dear Indiana Voter:

As Indiana's Chief Election Officer, in partnership with the Co-Directors of the Indiana Election Division, it is our great pleasure to provide you with the *2010 Indiana Military and Overseas Voters' Guide*. Within this guide, you will find the information and the application forms necessary for you to vote in Indiana this election year.

Our office, your local election administrators, and the federal government want to provide you with every opportunity to cast your ballot regardless of where you currently serve or reside.

In 2002, Congress passed, and the President signed, a significant piece of election reform legislation – the Help America Vote Act. Some of the most important measures included in this law pertain to members of the military and U.S. residents living abroad.

Federal law now requires that Military Voting Assistance Officers be given the time and resources they need to help military personnel vote. Likewise, the Department of Defense must provide timely information about voting deadlines and make certain all military ballots are properly postmarked.

States may not refuse absentee ballot applications for being submitted earlier than the general deadline and if a state rejects an absentee ballot application from a military or overseas voter, the voter must be notified why the application was rejected.

The right of citizens to popularly elect those who will represent them is among the most important civil liberties. This right does not end at Indiana's state line or our nation's border. We hope you will find this information useful and in return will take the opportunity to cast your vote this year.

Sincerely,

Todd Rokita	J. Bradley King	Pamela Potesta
Indiana Secretary of State	Co-Director Indiana Election Division	Co-Director Indiana Election Division

General Information

WHO CAN VOTE?

You have the right to vote in an Indiana election if you meet ALL of the following criteria:

- You are a U.S. citizen; *AND*
- You are a resident of Indiana; *AND*
- You will be at least 18 years of age at the next general or municipal election; *AND*
- You have lived in the precinct where you vote for at least 30 days before the election; *AND*
- You are not currently in prison after being convicted of a crime; *AND*
- You are registered to vote.

WHO IS A MILITARY VOTER?

A military voter, otherwise known as an "absent uniformed services voter," is an individual serving away from his/her place of permanent residence who is also:

- A member of the Army, Navy, Air Force, Marine Corps, Coast Guard, or other uniformed service on active duty who, by reason of active duty, is absent from the place of residence where the member is otherwise qualified to vote.
- A member of the Merchant Marine who, by reason of service in the Merchant Marine, is absent from the place of residence where the member is otherwise qualified to vote.
- A member of the Indiana National Guard deployed or on assignment outside of Indiana.
- A spouse or dependent of a member referred to above who, by reason of the active duty or service of the member, is absent from the place of residence where the spouse or dependent is otherwise qualified to vote.

(See Indiana Code 3-5-2-1.5 for definition of "absent uniformed services voter")

WHO IS AN OVERSEAS VOTER?

An overseas voter is:

- A person who resides outside of the United States AND who is qualified to vote in the last place in which the person was domiciled before leaving the United States
- A person who resides outside the United States and, but for such residence, would be qualified to vote in the last place in which the person was domiciled before leaving the United States.

(See Indiana Code 3-5-2-34.5 for the definition of "overseas voter")

A voter who lives abroad and no longer has a legal residence in Indiana may only vote for federal offices.

HOW DO I CAST MY VOTE?

You have four choices of methods to cast your ballot in Indiana.

- **Vote by mail:** You may submit an absentee ballot application to the county of your permanent residence, and your ballot will be sent to you. The ballot must be postmarked by the date of the election and received in the office of the circuit court clerk by noon 10 days after the election to be counted.
- **Vote by fax:** When you fax your absentee ballot application to your county election office, you may request that an official election ballot be faxed back to you.
- **Vote by email:** Indiana law now allows you to receive and return your ballot through email using a program operated by the Federal Voting Assistance Program (FVAP) of the U.S. Department of Defense.
- **Vote in person:** If your circumstances change and you are able to vote at the designated polling place for your permanent residence, then you should contact your county election office for instructions on how to proceed.

Voter Registration and Absentee Ballot Q&A

HOW DO I REGISTER TO VOTE AND REQUEST AN ABSENTEE BALLOT?

- Fill out a registration and absentee ballot Federal Post Card Application, Standard Form 76A (enclosed). Be certain to read the directions carefully and complete all areas of the form. This form is also available at www.fvap.gov. (Remember, for the May 4th, 2010 Primary Election you must indicate your party affiliation in Box 6 in order to vote.)

I'M NOT REGISTERED TO VOTE. WHEN IS THE DEADLINE?

In most cases, your county voter registration office must receive your registration application by April 5, 2010, (29 days before the Primary Election), or by October 4, 2010 (29 days before the General Election), but there are exceptions to these deadlines to accommodate military voters. See below.

ARE THERE ANY EXCEPTIONS TO MISSING THIS REGISTRATION DEADLINE?

Yes, certain military voters and their family members meeting the following criteria can still register after the deadline.

TO QUALIFY FOR EXTENDED REGISTRATION, YOU MUST

- Meet the other general qualifications to vote in Indiana (Listed on page 2).
- Complete a voter registration application.
- Not have already voted at any other precinct in the election.
- For the **May 4, 2010** Primary Election
  - ⇒ Have been absent from Indiana from December 1, 2009 through April 5, 2010.
  - ⇒ Have returned to Indiana after April 5, 2010.
  - ⇒ Provide your discharge papers (dated on or after December 1, 2009) or a government movement order (with a reporting date on or after December 1, 2009) to your county.
- For the **November 2, 2010** General Election
  - ⇒ Have been absent from Indiana from May 18, 2010 through October 4, 2010.
  - ⇒ Have returned to Indiana after October 4, 2010.
  - ⇒ Provide your discharge papers (dated on or after May 18, 2010) or a government movement order (with a reporting date on or after May 18, 2010) to your county.

WHAT HAPPENS AFTER I RETURN MY VOTER REGISTRATION APPLICATION?

Your county election office will process your voter registration. You will be notified of the status of your application, and if your registration is rejected, you will be notified with the reason.

WHAT IS THE DEADLINE FOR RETURNING MY MAILED ABSENTEE BALLOT?

- Your ballot must be received in the clerk's office in time to be added to the official election results. Your ballot will be counted as long as:
  - (1) The absentee ballot envelope is **postmarked** no later than the date of the election; and
  - (2) The absentee ballot is **received** no later than the deadline for counting provisional ballots, **May 14, 2010** (by noon 10 days after the May 4, 2010 Primary Election), or by **November 12, 2010** (by noon 10 days after the November 2, 2010 General Election).

Vote by Fax and Email Q&A

I WILL NOT BE IN INDIANA ON ELECTION DAY, AND I DO NOT HAVE TIME TO GET MY ABSENTEE BALLOT RETURNED THROUGH THE MAIL. WHAT CAN I DO?

- If you are a military voter, a military family member or an overseas voter as defined before, you can receive and return an absentee ballot to your county election office via fax.
- Also, if you are a military voter, a military family member or a DOD overseas contractor, you are now able to receive and return your ballot by email.

HOW CAN I APPLY FOR MY ABSENTEE BALLOT USING THESE SPECIAL PROCEDURES?

- You may apply to vote an **absentee ballot by:**
  1. **Mail:** Complete and return the **ABS- 15** form and return it to your county clerk's office by mail.
  2. **Fax or email:** Complete and return the **ABS-12** form and return it to your county clerk's office by fax or email.
  3. **Email using the Federal Post Card Application:** Visit the FVAP website (www.fvap.gov) for details.
- These forms are available in this manual, on the Secretary of State's web page (www.in.gov/sos/elections) or from your county election office.

WHAT IS THE DEADLINE FOR APPLYING FOR AN ABSENTEE BALLOT BY FAX OR EMAIL?

- To vote an absentee ballot by fax or email for the **May 4, 2010 Primary Election**, return the absentee ballot request form by fax or return the FPCA via email no later than **Noon, Monday, May 3rd, 2010.**
- To vote an absentee ballot by fax or email for the **November 2, 2010 General Election**, return the absentee ballot request form by fax or return the FPCA via email no later than **Noon, Monday, November 1, 2010.**

WHAT HAPPENS AFTER I FAX OR EMAIL MY ABSENTEE BALLOT APPLICATION?

- Your county election office (usually the circuit court clerk) will review your application. If it is complete and you are otherwise qualified, the clerk will fax a blank ballot back to the fax number on your application or email you the scanned ballot.
- In some counties your ballot may have to be "homemade" by the clerk since your mark on a fax or email could not be read if you used the ordinary ballot given to voters at the polls. Even if your ballot looks a little different than the ballot you used in other elections, it will still be cast and counted if you complete and return it properly.
- Your approved absentee ballot application remains in effect for the next two general elections following the date of your application. Your ballot will automatically be sent to the address you listed on your application. You do not need to re-apply for a ballot while your application remains in effect.
- If the address listed on your application changes due to reassignment or if you return to the states, you will need to update your voter registration by contacting your county election office.

WHAT IS THE DEADLINE FOR RETURNING MY FAXED OR EMAILED ABSENTEE BALLOT?

- Your ballot must be received in time for the ballot to be delivered to the appropriate precinct, generally 12:00 noon on Election Day.
- We recommend that you fax or email your ballot back **BEFORE** Election Day if possible. If your ballot is received after Election Day, it will not be counted!

HOW CAN MY BALLOT BE SECRET IF I FAX OR EMAIL IT BACK?

- In return for the convenience of faxing or emailing back your completed ballot, you will have to sacrifice some ballot secrecy. The ABS-9 form is a cover sheet and affidavit in which you will sign the "Voluntary Waiver of Secret Ballot" and thus concede your right to a secret ballot. Your county election office will require that you send this form along with your completed ballot.
- Once your faxed or emailed ballot is received, your county election office will take every possible precaution to preserve your ballot's secrecy as it is counted with the other absentee ballots.

WHAT IF I HAVE MORE QUESTIONS?

- Please feel free to contact your county election office using the contact information starting on page 10 or contact any of the statewide election offices using the contact information starting on page 7.
