Why does it matter?

"The workforce development system established under WIOA emphasizes **informed consumer choice, job-driven training, provider performance, and continuous improvement.** The quality and selection of providers and programs of training services, including Registered Apprenticeship programs and others, is vital to achieving these core principles."

--US DOL Training and Employment Guidance Letter

INDIANA WORKFORCE DEVELOPMENT

WIA to WIOA

THE WORKFORCE INVESTMENT ACT OF 1998 (WIA)	THE WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA)
Identification of Eligible Providers of Training Services	
ELIGIBILITY—To be eligible to receive funds, provider is required to be: • A postsecondary institution that is eligible to receive federal funds under the Higher Education Act of 1965 and that offers a program that leads to an associate or baccalaureate degree, or certificate • A registered apprenticeship program • Another public or private provider of a program of training services (conditional eligibility) • Providers of on-the-job or customized training shall not be subject to these requirements STATE CRITERIA—Automatic initial eligibility for postsecondary educational institutions and registered apprenticeship programs. For other eligible providers, governor shall establish a procedure for local boards to determine initial eligibility. • In establishing subsequent eligibility procedures, local boards must consider the specific economic, geographic and demographic factors in the local area and the characteristics of the populations served by providers seeking eligibility • Requires training providers to submit information on performance and performance cost and training services information for all participants who received assistance **SWIC DECISION:** **Min. Requirement on Completion Rates** **28% for technical certificates, degrees** **60% for short-term training** Courtesy of National Skills Coalition	ELIGIBILITY—Maintains requirements under WIA. STATE CRITERIA— • Governor must consider: » Performance of training providers with respect to performance accountability and other measures » Whether the training programs of such providers relate to in-demand occupations » The need to ensure access to training services throughout the state » Information reported to state agencies with respect to other federal and state training programs, including one-stop partners » Requirements for state licensing of training providers » Ways criteria can encourage providers to use industry recognized certifications » Ability of providers to offer programs leading to recognized postsecondary credentials » Program quality » The ability of providers to provide training to individuals who are employed and those with barriers to employment STATE INFORMATION REQUIREMENTS— • Requires training service provider to submit information to the State, including: information on the performance of the provider with respect to the performance accountability measures; information on recognized postsecondary credentials received by participants; information on cost of attendance; information on program completion rates; and information on state criteria. Providers may receive initial eligibility for only 1 year for a particular program. LOCAL CRITERIA—Permits local board to establish criteria and information requirements CRITERIA AND INFORMATION REQUIREMENTS TO ESTABLISH INITIAL ELIGIBILITY—Permits providers to seek initial eligibility by providing program-specific information based on criteria established by the state.
Eligible Providers of Youth Activities	
Requires local board to award grants and contracts to eligible providers on a competitive basis based on recommendations of the youth council and the criteria set forth in the state plan and to conduct oversight with respect to providers.	• Requires local board to award grants to providers based on criteria set forth in the state plan, considering the ability of the providers to meet performance accountability measures • Permits local boards to sole-source award grants if it determines there are insufficient providers to award grants on a competitive basis

IN Training under WIOA

- Resolution is proposing the following:
  - Hold for up to one year on enforcing the minimum completion rate thresholds
    - Review criteria options and consider which criteria to include that aligns with WIOA
  - We must have data on all programs
