Early Literacy Materials from the Indiana Dept of Education

In the next few weeks, all public libraries in Indiana will receive a “bundle” (box) of materials from The National Center for Families Learning and Hoosier Family of Readers, Superintendent Glenda Ritz’s literacy initiative. This is the third year of her mission: to build a culture of readers in Indiana by supporting schools and public libraries in their mission to get books in the hands of students and their families. We encourage you to schedule a family engagement event at your library soon to promote her mission. The bundle will contain all the materials you will need to host a family engagement event in your library. Included will be an event guide to help you plan the event, as well as 30 copies each of a parent guide, a poster for each family to help them record their reading, a bookmark for each family that provides conversation starters for parents when reading with their child, and a suggested booklist to encourage reading in a variety of topics and genres. Superintendent Ritz would like to attend your event as her schedule permits. In the bundle, you will find a letter from her with instructions on how to contact her if you would like to invite her to your event. Contact Jill Lyday, Secondary Literacy Specialist/Hoosier Family of Readers Initiative/Indiana Department of Education at jlyday@doe.in.gov for further information or questions.
