

\*\*\*\*PLEASE NOTE\*\*\*\*

As stated by Executive Order 20-31, the relevant provision of Ind. Code §6-3.6-9-4 is suspended to the extent necessary to authorize the State Budget Agency to include all tax revenue reported on an annual return or amended return processed by the Department of Revenue during the period beginning September 1, 2020, and ending June 30, 2021, when determining the amount of local income tax revenue that is to be distributed to a county in calendar year 2022.

The State Budget Agency has prepared the distribution amounts presented here based on the best information available regarding local income tax rates at this time. Under IC 6-3.6-9-8, if the county imposes, increases, decreases, or rescinds a tax or tax rate after October 1st, the budget agency shall adjust the certified distribution of the county after October 1 and before December 1 of the calendar year. The adjusted certification shall be treated as the county's certified distribution for the immediately succeeding calendar year.

Local officials can assist the State Budget Agency in confirming the CY 2022 certified distribution amounts by verifying the accuracy of the rate information presented here and notifying the State Budget Agency of any rate changes that may not be reflected.

Please note that IC 6-3.6-3-2 requires that ordinances adopting rate changes be submitted to the State electronically in a format prescribed by the Department of Local Government Finance. Submitting the ordinance to the Gateway is the method officially prescribed by the Department of Local Government Finance.

Communications with the State Budget Agency regarding the published certified distributions should be directed to Hari Razafindramanana at (317) 232-3471 or HRazafindramanana1@sba.IN.gov
