Attachment A

The State Board of Accounts (SBOA) is the external audit agency for Indiana's state and local government. As required by federal law, any state or local government that expends more \$750,000 or more in federal financial assistance in a fiscal year is required to have a federal single audit in accordance with 2 CFR 200. Additionally, state law requires that any Indiana unit of government is required to have an examination by SBOA at least once every four years. It is SBOA's responsibility to ensure that all units of government are audited in a timely manner as required by federal and state law. SBOA will need to increase their audit capacity by contracting with private examiners. As statutory and federal examinations are services provided by a state government agency or their agents, they are an appropriate use of the funds under the State and Local Fiscal Recovery Fund Program (21.027).
