

Domestic Violence – Survivor and Child Intervention Services

Location: Any (Home, Office, Group, Community)

Client: Non-Offending (DV) Parent/Caregiver and child

Duration: Moderate to Long Term – as long as needed

Payer: DCS

Summary:

The targeted population for Domestic Violence services includes both survivors and children. The provider is responsible for the reporting and coordinating of services to all populations. Domestic Violence intervention services provided by DCS/Probation are not intended to exist in isolation, but as only one component of a coordinated community response to domestic violence. Services shall maintain cooperative working relationships with local programs (domestic violence, batterers' programs, survivor programs, shelters, law enforcement, advocates, legal services, etc.). Services shall be structured, goal-oriented, time-limited individual/group services and casework/victim advocacy services.

Services provided may include the following:

- Educational and skills-based support group for survivor and/or child
- Assistance with transportation
- Coordination of services
- Advocacy (which includes goal setting, case management, supportive services)
- Safety planning
- Crisis intervention
- Community referrals and follow up
- Family/Child assessment
- Child development education
- Domestic violence education
- Parenting education with or without children present
- Budgeting and money management
- Participation in Child and Family Team meetings
- Family reunification
- Individual and family services
- Cognitive behavioral strategies
- Family of origin/Intergenerational issues
- Family structure and organization (internal boundaries, relationships, roles, socio-cultural history)
- Substance abuse screening
