RE: Executive Summary for Bid 100-23-74080

Since 1908, Harley-Davidson® Police Motorcycles have seen millions of miles in service to Law Enforcement agencies around the world. Harley-Davidson® motorcycles continue to build on their legendary reputation by providing superior performance and the reliability needed to withstand the rigors of everyday duty. Indianapolis Southside Harley-Davidson® has been providing motorcycles for police departments since 1948. With this experience, we have the ability, desire, and extensive knowledge to provide the product and services requested in this bid.

The following information is provided for bid purposes: Bidder ID: 39353, FEIN: 35-0972584, NAICS: 44122,

We are registered with The Secretary of the State of Indiana as a Corporation dated 27 February 1956. Our Business ID # is 194214-042

**The contact for this bid will be Eric Anderson, Motorcycle Sales Manager, 4930 Southport Crossing Place, Indianapolis, IN 46237. He can be contacted at 317-885-5180 or by email at [eric.anderson@southsideharley.com](mailto:eric.anderson@southsideharley.com)**

Diversity Subcontractor Agreements: we will not be partnering with a MBE, WBE or IVOSB subcontractor on this bid because the motorcycles for this bid are manufactured by the Harley-Davidson Motor Company in York, PA and due to the nature of this bid, there are no XBE subcontractor opportunities associated with this bid.

Our company does not have a formal disaster recovery plan. Our alternative solution will be to contact other Harley-Davidson Dealers in our dealer network to be able to provide goods and services during the period we would not be able to.

Sensitive information for all customers of the dealership is contained on a stand-alone server not tied to any outside network. Those personnel who have access to the server must use a login and password to access information. Any sensitive paper information is kept behind closed doors and in a locked container.

We have experience working with the following Governmental Agencies by providing goods and/or services:

The State of Indiana: Current contractor for the BMV for Ride Safe Indiana to provide motorcycle training and testing. We also hold the current lease for Motorcycles for the Indiana State Police

City of Indianapolis – purchase of motorcycles, sales of parts and perform warranty service work

City of Carmel – purchase of motorcycles and parts and accessories

Town of Brownsburg – purchase of motorcycles and sales of parts and accessories

Town of Cumberland – lease and purchase of motorcycles, sales of parts and accessories and perform service work

City of Noblesville – purchase of motorcycles and sales of parts and accessories

Town of Greenwood - purchase of motorcycles and sales of parts and accessories and service work

City of Logansport - purchase of motorcycles and sales of parts and accessories

City of Anderson - purchase of motorcycles and sales of parts and accessories

Town of Whitestown - lease and purchase of motorcycles, sales of parts and perform service work

Town of Greensboro - purchase of motorcycles and sales of parts and accessories

City of Lawrence - purchase of motorcycles and sales of parts and accessories and service work

City of Beaver Creek, OH - purchase of motorcycles and sales of parts and accessories

University of Louisville – Lease of motorcycles and sales of parts and accessories

In the event the State would switch to paying by credit card, we would be able to support either in person transactions or via telephonic communications.
