

Showing your
support
for the arts
is as easy as
bolting on
a license plate.

You can show your support and at the same time make an investment in the cultural future of our state. The Arts Trust license plate may be purchased at any Bureau of Motor Vehicles branch or online at www.IN.gov/bmv.

Your support will help create a state of innovation and creativity, and drive Indiana's next generation to a successful future.

CREATIVE MINDS
WILL
DRIVE OUR FUTURE.

The arts cultivate imagination, creativity, and innovation – key skills for our children to have in the 21st century.

Support arts education programs in Indiana by purchasing an Arts Trust license plate. Every plate purchase or renewal generates \$25 for the Indiana Cultural Trust Fund, which helps provide additional support for arts education programs in Indiana.

For more information about the Arts Trust license plate, visit www.IN.gov/arts/artstrustplate.htm
