Holiday Travelers Can Expect More Law Enforcement on Indiana Roadways *Statewide Click It or Ticket mobilization continues through May 31*

Indianapolis, IN. – According to the American Automobile Association, an increased number of travelers will take to Indiana highways this Memorial Day weekend.

While many will travel to the famed Indianapolis Motor Speedway to witness the greatest spectacle in racing, others will travel to the homes of family and friends to celebrate what most consider the kickoff to the summer season.

No matter how far their festivities take them, Hoosiers will see an increased number of law enforcement officers on the look out for unrestrained motorists. Since May 15, more than 250 local law enforcement agencies including the Indiana State Police have conducted increased seat belt patrols across the state.

Media Note: Indiana Criminal Justice Institute Executive Director, T. Neil Moore will be available to conduct interviews on the south side of 16th Street in front of the Main Gate at the Indianapolis Motor Speedway on Friday, May 22 between 5:30 a.m. -7:30 a.m. Interested media outlets are asked to contact ICJI in advance before close of business, May 21.

“Click It or Ticket” is a national campaign that supported by federal funding allocated to the Indiana Criminal Justice Institute (ICJI) from the National Highway Traffic Safety Administration (NHTSA). Indiana’s enforcement mobilization is reinforced by a paid statewide advertising buy and additional public outreach efforts to comprehensively promote the life-saving benefits of regular seat belt use to all motorists.
