

	INDIANA DEPARTMENT OF CHILD SERVICES CHILD WELFARE POLICY	
	Chapter 8: Out-of-Home Services	Effective Date: July 1, 2010
	Section 24: Travel and Overnight Stays while in Out-of-Home Care	Version: 3

STATEMENTS OF PURPOSE

The Indiana Department of Child Services (DCS) will require notifications and/or approvals for travel and participation in overnight stays as follows:

In-State Travel

For in-state travel that requires an overnight stay the resource parent(s) should notify the child's Family Case Manager (FCM) either by phone (voice mail messages are acceptable) or e-mail at least seven (7) days in advance whenever possible. The resource parent(s) must have authorization from the DCS Local Office Director (LOD) or designee for any overnight stay exceeding 48 hours at least seven (7) days in advance whenever possible, unless this is a reoccurring visit with the child's parent.

Out-of-State Travel

For any overnight out-of-state travel the resource parent(s) must notify the FCM at least seven (7) days in advance whenever possible. For overnight out-of-state travel that will exceed 48 hours the resource parent(s) must have court authorization through a court order. The resource parent(s) should notify the child's FCM as early as possible in order to allow sufficient time to obtain permission from the court for out-of-state travel. In the event of an emergency requiring the resource parent(s) to travel out-of-state when the stay will exceed 48 hours and/or the DCS local office is closed, the resource parent(s) must call the Child Abuse and Neglect Hotline (1-800-800-5556) to obtain verbal authorization from the on call Supervisor. The resource parent(s) must notify the assigned FCM the next business day.

Note: Refer to the [Emergency Operations Plan](#) for detailed instructions regarding ensuring the safety and security for all children under DCS care and supervision during an emergency or disaster.

Out-of-Country Travel

For all out-of-country travel, the resource parent(s) must submit a written request to the Regional Manager (RM). The resource parent(s) must obtain written authorization from the RM and a court order. Authorization must be requested at least one (1) month in advance.
