Planning and Grants Management Division:

Rachel Woodall:

- Two updates will go live in July. July 1st Quarterly reports (due July 15th) will use an electronic signature and July 17th a complete overhaul of iGMS. Functionality will not change but the appearance of iGMS will be updated.

Ashlee Moore:

- Frequently Flooded Roads Data Collection – NWS wants to get feedback regarding the roads and areas that flood frequently and use the information to help supplement their watches and warnings.. Data sets to be used to input/edit information. Updating details are in progress. Email Ashlee at amoore@dhs.in.gov with questions concerns or feedback.

**A reminder from Mary Fields: The Foundation 2012 Grant is not yet opened. Any questions regarding the grant, contact Mary at mfields@dhs.in.gov.

Training and Exercise Division:

Ashlee Grisel:

- Pem Packets Due May 31,2012.
- Pem Study Guides will go out on June 8.
- Pem Test will be on June 26

There are two new courses on the IDHS Training Calendar:

- Damage Assessment held on June 19 at the Brownsburg Fire Territory and
- Flood Fight Operations will be held August 16-18 at Camp Atterbury

Lauren Eickman:

- Communications Seminar on the agenda July 10-11. Still have spots open, email Lauren at leickman@dhs.in.gov if you are interested or need more information.
- District TEPWs set for around September 1. North Region contact Lauren and South Region contact John Snell.

Alan Scott

- State CERT Program will be held on July 6-8 in Elkhart. Transitioning the “Train the Trainer” program over to the districts. This is posted on the State training calendar. Application available on the training calendar. Looking for good CERTs instructors. Need three (3) instructors per district. Contact Alan at ascott@dhs.in.gov with questions or concerns.

Field Services Division

Gerri Husband (Randy Collins):

- Encouraging partnership between our Emergency Management agencies and our local health departments and hospitals. Promoting participation and involvement in the WebEOC and allow information sharing along public safety boards.
- Upcoming EMPG Assessment scheduled to be distributed on June 27th.

Mark Livingston

- Working on District level capabilities assessment and District level HIRA project
- CPE 201 How to do a Threat Hazard Risk Assessment
- Has access to CEMP’s and Hazard Mitigation Plan, and State Plans for Data Collection
- Goal is to satisfy federal requirements and create a product everyone can benefit from.

Jenna Rossio:
