

To whom it concerns,

I am Robert (Bobby) LaRue, and have served as the Building Commissioner for Monroe County and the City of Bloomington since January of 2022. I have approximately 15 years of experience in inspections with 13 of those being in Commercial inspections. I served on the Building Code Review committee for the 2014 Indiana Building Code. I am interested in severing the Building Code Update Committee. I understand the desire to have both the Building and Fire codes reviewed together and am willing to do both depending on meeting schedules for the code review. Attached is a copy of my resume.

A handwritten signature in blue ink, appearing to read 'Robert LaRue', with a long horizontal flourish extending to the right.

Robert LaRue, CBO

Building Commissioner

Monroe County / City of Bloomington, Indiana

Office: 812.349.2580
