100 NORTH SENATE AVENUE
IGC-N, ROOM N1058
INDIANAPOLIS, INDIANA 46204**

**IN THE MATTER OF THE REVIEW)
OF PROPOSED LANGUAGE FOR A)
BALLOT QUESTION REGARDING) No. 17-001-REF-A
SCHOOL TOWN OF MUNSTER)**

**FINDINGS AND FINAL DETERMINATION ON PROPOSED QUESTION RESUBMITTED
JANUARY 17, 2017**

1. On January 10, 2017, the Department of Local Government Finance (“Department”) disapproved a proposed ballot question submitted by the School Town of Munster (“Corporation”), which proposes to place an operating referendum on the ballot for the purpose of establishing a referendum tax levy with a tax rate not to exceed forty-one and ninety-six hundredths cents (\$0.4196) per one hundred dollars (\$100) of assessed value. On January 17, 2017, the Corporation submitted a revised question to the Department for its review.
2. Under Indiana law, voters in the area served by the Corporation will vote in a referendum to approve or deny the Corporation’s proposed tax rate.
3. Indiana law governs the format and wording of the ballot question for the referendum.
4. Under Indiana law, the “question to be submitted to the voters in the referendum **must read as follows**”:

“For the __ (insert number) calendar year or years immediately following the holding of the referendum, shall the school corporation impose a property tax rate that does not exceed _____ (insert amount) cents (\$0. __) (insert amount) on each one hundred dollars (\$100) of assessed valuation and that is in addition to all other property taxes imposed by the school corporation for the purpose of funding _____ (insert short description of purposes)?”

Indiana Code 20-46-1-10 (emphasis added).
5. The ballot question then must contain three parts:
 - the number of calendar years for which the tax will be in effect;
 - the amount of the tax rate; and
 - the purpose of the funding.
6. The law requires the Department to review the language for compliance with IC 20-46-1-10. The Department may either approve or reject the language.

7. The Corporation represents that it currently has an operating referendum in place that was approved by voters in 2013, and that if voters approve this proposed referendum in 2017, the Corporation will repeal its existing operating referendum and impose only the one approved in 2017.
8. The Corporation requested that the Department review this proposed revised question:

“For the seven (7) calendar years immediately following the holding of the referendum, shall the School Town of Munster, Lake County, Indiana, impose a property tax rate that does not exceed forty-one and ninety-six hundredths cents (\$0.4196) on each one hundred dollars (\$100) of assessed valuation and that is in addition to all other property taxes imposed by the school corporation for the purpose of (a) repealing the existing referendum fund tax levy, and (b) replacing the existing referendum fund tax levy with a new referendum fund tax levy that will provide funding to continue current and implement new educational programs, to address additional staffing needs, including special education staffing, for anticipated increases in employee compensation and other operational costs, for payment of debt service on obligations of the School Corporation after December 31, 2019, and to re-establish reasonable fund balances?”

Compliance of Language

9. The Department must review the proposed language for compliance with IC 20-46-1-10. The Department may either approve or reject the language. The Department concludes that the language is in compliance with IC 20-46-1-10. The Department notes that operating referendum revenue is to be used so that a school corporation can fulfill its “public educational duty” (IC 20-46-1-8). The Department encourages the Corporation to ensure that all of its intended uses of this revenue are consistent with this statutory prescription.

Final Determination

WHEREFORE, based on the above findings and applicable law, the Department finds that the proposed language is in compliance with IC 20-46-1-10 and approves the language as proposed.

Dated this 18th day of January, 2017.
