ONLINE HUNTING TRAPPING AND FISHING LICENSES

FUNDING FOR FISH AND WILDLIFE

The DNR Division of Fish & Wildlife sells hunting, fishing, and trapping licenses. All revenue is used for managing fish and wildlife resources in Indiana. No license money goes into the state general fund.

The DNR Division of Fish & Wildlife sections also receive money through the Sport Fish and Wildlife Restoration Program administered by the U.S. Fish and Wildlife Service. Indiana receives approximately \$11 for every person that purchases a fishing license and \$22 for every person that purchases a hunting license. Currently, Indiana receives approximately \$8 million in federal reimbursement. This money is used to manage fish and wildlife resources in Indiana. So, even if you don't hunt or fish, you can buy a combination license at \$25/year and Indiana will receive an additional \$33 in federal funds to be used for fish and wildlife conservation.
