

How to make a cup of fish

Supplies

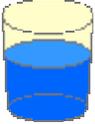

Either a box of green or blue Jell-O Gelatin mix

Gummy fish

Clear plastic cups

Make Jell-O according to the direction on the box.

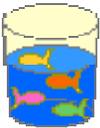

Pour Jell-O into clear, plastic cups.

Let the Jell-O filled cups cool in the refrigerator until partially set – about 45 minutes.

When the Jell-O is partially set, place a few gummy fish in each cup.

Put the cups back in the refrigerator until they're completely set.
