

The Transit of Venus

a once-in-a-lifetime astronomical event

Tuesday, June 5

**Paynetown S.R.A.
at Monroe Lake**

1:30 p.m. to 5 p.m. Special Crafts for Kids

3 p.m. to 5 p.m. Short Videos about the Transit

6 p.m. to 8 p.m. Live Viewing of the Transit

See the Transit as it happens thru a telescope equipped with a solar filter and special hand-held solar viewing cards! Members of the IU Astronomy Club will explain the significance of the Transit and what is happening. Don't miss this unique event – it won't happen again until the year 2117!
