

OSW Checklist

To order and obtain an Oversize/Overweight (OSW) permit in Indiana, you must:

- Set up an OSW Transporting Account.
- Order your permits.
- Follow the general provisions of the permit.
- Have the permit, along with the General Provision Sheet (M-204), in your truck before moving a load.
- Sign the permit.
- Have proper signs, flags, and lights on your truck and load.
- Check road restrictions and bridge maps before moving.
- Contact MCS if you change the name of or close your business.
