

Passenger and Household Goods Checklist

If you transport passengers or household goods for hire, you must:

- ☐ Apply for Indiana operating authority. Because there are three types of operating authority (permanent, temporary, and emergency), you'll need to review the options, requirements, and applications found at www.in.gov/dor/4211.htm
- ☐ Pay the annual fee.
- ☐ File your annual reports by April 30.
- ☐ Keep your insurance up-to-date.
- ☐ Read about the tariffs and schedules in the Commercial Motor Vehicle Guidebook (page 24).
