

END STABILIZATION OF 3' x 1' CORRUGATED STEEL PIPE-ARCH SECTIONS ①

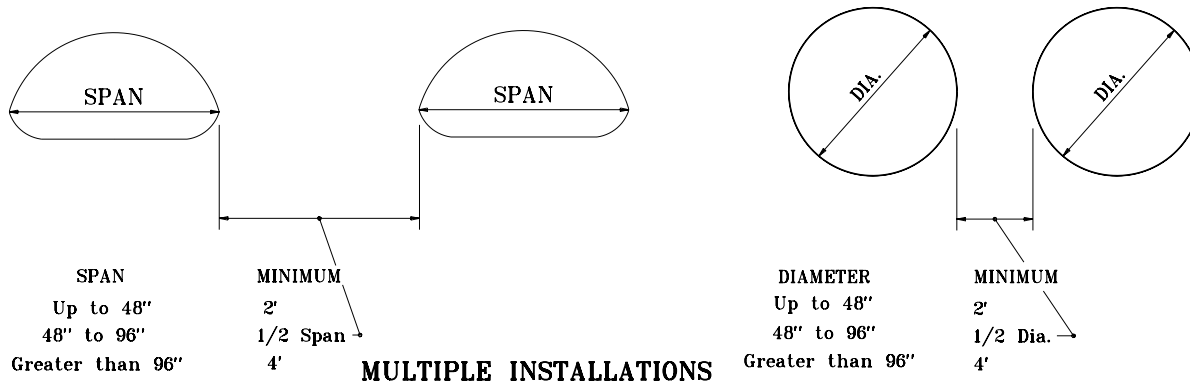

- ① In order to maintain their manufactured shape, all 3' x 1' corrugated steel pipe-arch sections shall have wire ties attached at each end as shown in the detail. The wire ties shall be attached across the largest vertical and horizontal dimension of the pipe-arch. The wire ties shall be installed by the manufacturer and shall remain in place until the on-site installation is complete.
- ② Welded wire fabric shall be securely wired to every second circumferential bolt and every twelfth longitudinal bolt.
