Re: Notice Pursuant to Federal Worker Adjustment and Restraining Notification Act

Dear Sir/Madam:

On October 31, 2013, we provided you with notice regarding a layoff affecting the Viking Mine facility. Subsequently (on December 20, 2013, January 30, 2014 and February 28, 2014), we notified you that we needed to extend the separation date for some employees. The anticipated reduction in workforce needs for production, reclamation and recovery work were not as extensive as initially anticipated. Approximately twenty (20) employees of Peabody Indiana Services, LLC remain working at the underground mine and were not laid off during this period. Due to continuing business needs during the closure process, the mine now anticipates that all remaining employees will be placed at other Peabody mines in the Midwest or laid off on or about April 30, 2014.

Please do not hesitate to contact the designated reference in our prior correspondence should you have any questions.

Sincerely,

Gene Koch
