RE: WARN Notice Extension

Dear Sir / Madam

This memo serves to follow-up on the WARN notices issued on September 23, 2013.

In those notices, we indicated that Alliance Management (acting as the court-appointed receiver of CMW International) was actively seeking a buyer for CMW's operations. That process is continuing and we have provided updates to the union and employees. Because of that ongoing process, it is necessary to extend the WARN notice and your employment to a date beyond the original November 23, 2013 closing date. We hope to have more information about the potential sale in the next few weeks and will provide a more definitive update as soon as possible.

We greatly appreciate your ongoing support and best efforts during this process.

Sincerely,

Yvonne Rice
Human Resources Manager
