Re: Plant Closing

Dear Dislocated Worker Unit,

The Worker Adjustment and Retraining Notification Act (WARN) and Indiana law has established guidelines for notifying state and local dislocated workers departments of plant closings, which includes the shutting down of an operating unit, or facility. In accordance with these requirements, you are hereby notified that National Government Services, Inc., a subsidiary of WellPoint, Inc., plans to discontinue operating units at our 8115 Knue Road Indianapolis, IN 46250 location, due to the loss of one of our government contracts.

At this time, it is projected that work will begin transitioning to the new contractor on July 20, 2012. The final date for the separation from the company will occur between July 20 and September 28, 2012. The job titles and number of employees in each job classification that will be affected are enclosed.

Nature of the Planned Action:

- This is a plant closing under Indiana law.
- Expected Date of the Separation from WellPoint: Between July 20 through September 28, 2012.
- Anticipated Schedule for Making Separations: Between July 20 through September 28, 2012.
- Enclosed with this notice is a listing of the job titles of the positions that will be affected and the number of affected employees in each job classification.

Page 2

There are no bumping rights in existence.

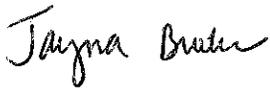

There are no bargaining representatives representing affected employees.
