 - Stimulus Question

MHDF Milestones

Services to “Non-MRO” Population

- Habilitative vs. Rehabilitative
- Unsure of the Numbers
 - Relationship with residential services
 - Not any less important to serve
- Different need, different service focus

Services to “Non-MRO” Population

- Considerations
 - Service needs of population
 - Leveraging opportunities
 - Gaps created for business models with changes to MRO
 - Timing is everything

Services to “Non-MRO” Population

- (New) Waivers for the Medicaid Habilitative Populations
 - 1915c
 - 1915i
- Non-Medicaid Population
 - Safety net

(New) Waivers

- 1915c

- Application for waiver for DD population due June 1
- Amending A&D 1915c under discussion
- Targeting those at “institutional” level of care

(New) Waivers

- 1915i

- Targeted toward the habilitative population
- Population served would NOT overlap with MRO but would likely have access to clinic option
- Do not need to meet LOC in 1915c

Non-Medicaid Population

- Safety Net

- What is it?

- How do we fund?

Provider Readiness

- Information from Consumer Service Reviews
- CANS/ANSA Data
- Readiness Survey
