### **3000.00.00 ELIGIBILITY STANDARDS**

Each program has separate standards established by law or regulation which must be used to determine eligibility for assistance. This chapter includes information on the following:

Resource Limits (Section 3005);  
Facility Private Pay Rate (Section 3006);  
Income/Need Standards (Section 3010);  
Dependent Care Standards (Section 3015);  
Utility Standards (Section 3020);  
Food Stamp Related Standards (Section 3025);  
Work Expense Disregard (Section 3030);  
MA Earned Income Disregard (Section 3035);  
General Income Disregard (Section 3040);  
General Earned Income Disregard (Section 3045);  
Medicare Part D Benchmark (Section 3041);  
Maximum Benefits (Section 3050); and  
Footnotes for Chapter 3000 (Section 3099).

### **3005.00.00 RESOURCE LIMITS**

The resource limit is the maximum value of nonexempt resources which an assistance group (AG) may retain in order to be eligible for assistance. The following sections list the limits for each program.

#### **3005.05.00 RESOURCE LIMITS (F)**

The resource limit is \$2000 for all AGs that do not include an elderly or disabled member.

Effective 10/01/02 the resource limit is \$3000 for any AG which contains a member age 60 or older or a member who is blind or disabled according to the policy in Section 3210.10.25.05. (f1)

#### **3005.10.00 RESOURCE LIMITS (C, MED 2)**

The resource limit is \$1000 for applicants. (f2)

For TANF recipients, the resource limit is \$1,500. (f2a)

#### **3005.15.00 RESOURCE LIMITS (MED 1)**

The resource limit is dependent upon the category of assistance and the composition and living arrangement of the AG. (f3)

The resource limits for Aged, Blind, and Disabled categories (MA A, MA B, and MA D) are as follows:

\$1500 for an applicant/recipient, who is unmarried, separated from his spouse for reasons other than medical, or whose spouse qualifies as a "community spouse".

\$2250 for an applicant/recipient and his spouse (whether or not the spouse is an applicant/recipient) if the couple is living together, or separated only for medical reasons and the spousal impoverishment provisions do not apply.

For the applicant/recipient who is under age 18 and living with his parents, the resource limit for his parents is as follows, unless the child is approved for Home and Community Based Services. Under these waivers, parental resources are not considered.

- \$1500 for a biological or adoptive parent who is unmarried or separated from his spouse; or
- \$2250 for biological or adoptive parents living together, or who are separated only for medical reasons.

The resource limits for M.E.D. Works (MADW, MADI) are:

\$2,000 for an applicant/recipient, who is unmarried, separated from his spouse for reasons other than medical, or whose spouse qualifies as a community spouse.

\$3,000 for an applicant/recipient and his spouse (whether or not the spouse is an applicant/recipient if the couple is living together, or separated only for medical reasons and the spousal impoverishment provisions do not apply.

Parental resources are exempt.

When an institutionalized individual has a community spouse, the community spouse resource limit is the greatest of the following amounts effective January 1, 2009 through December 31, 2010: (f4)

- The state standard of \$21,912. (\$ 20,880 effective 1/1/08 through 12/31/08);

- The spousal share, up to a maximum of \$109,560. (\$104,400 effective 1/1/08 through 12/31/08;
- Any amount of resources ordered by a court against the institutionalized spouse for the support of the community spouse; or
- The amount established by an Administrative Law Judge as the result of an appeal.

The above standards were not adjusted effective 1-1-10 as usual because the CPI did not increase.

**3005.20.00            RESOURCE LIMITS (MED 3)**

There are no resource limits for any of the MED 3 categories of assistance. Any amount of resources may be retained by an AG.

**3005.25.00            RESOURCE LIMITS (MED 4)**

The resource limits for the QMB, SLMB, QDW, and QI categories are: (f5)

\$6,600 for an applicant/recipient who is unmarried or not living with his spouse;

\$9,000 for an applicant/recipient and his spouse if the couple is living together.

**3006.00.00            FACILITY RATE USED TO CALCULATE PENALTY PERIOD (MED)**

The average monthly private pay rate for nursing facilities in the statewide geographic region to be used in computing transfer penalties as explained in Section 2640.10.35 is \$4611. This amount is in effect for applications filed on and after July 1, 2009. (The rate for applications filed on or after 7-1-08 through 6-30-09, \$4456; on or after 7-1-07 through 6-30-08, \$4249; for applications filed on or after 7-1-06 through 6-30-07, \$3960; for applications filed on or after 7-1-05 through 6-30-06, \$3898, for applications filed on or after 7-1-04 through 6-30-05, \$3817; and for applications filed on 7-1-03 through 6-30-04, \$3,667).

For applications filed 11-1-98 through 6-30-02, the amount for the appropriate geographic region below is to be used.

**3010.00.00 INCOME/NEED STANDARDS**

Income and Need Standards are the maximum income or expense consideration that is given to an AG in order to determine financial eligibility. For some programs, both a gross income and net income comparison are necessary. The specific income or need standards of each program are discussed in the following sections.

**3010.05.00 INCOME STANDARDS (F)**

This chart lists the Food Stamp Program's maximum monthly gross and net income standards. For financial eligibility to exist, income may not exceed these standards. The maximum gross income amounts are based on 130% of the Federal Poverty Guidelines, and the maximum net income amounts are based on 100% of the Federal Poverty Guidelines. Following are the amounts effective 10/01/09.

**3010.05.05 Income Standards - Elderly/Disabled Separate AG (F)**

This chart lists the Food Stamp Program's maximum monthly gross and net income standards for AGs containing an elderly or disabled member. The maximum gross income amounts are based on 165% of the Federal Poverty Guidelines, and the maximum net income amounts are based on 100% of the Federal Poverty Guidelines. Following are the amounts effective 10/01/09.

**3010.10.00 NEEDS STANDARDS (C)**

The need standard is the maximum expense consideration given to a Cash Assistance group. It is a flat maintenance allowance which varies by AG participating member size and composition. (f7) One chart lists the need standard for an AG with a recipient parent and/or caretaker, and the second chart lists the standard for an AG with children only.

**3010.15.00 185% INCOME STANDARDS (C)**

This chart lists the maximum monthly gross income and net income standards for non-treatment Cash Assistance groups. (f8) The gross income standard is used when the 185% test is completed for initial eligibility for all cash assistance groups. For financial eligibility to exist, income may not exceed these standards. The gross income standard is 185% of the need standard, and the net income standard is 90% of the need standard. There are separate charts for AGs which include a recipient parent/caretaker and AGs which only include children.

are separate charts for AG's which include a recipient parent/caretaker and AG's which only include children.

An AG which will lose eligibility when its countable net income equals or exceeds 100% of Federal Poverty Level (FPL) for a family of the same size. (f8b)

**3010.20.00 INCOME STANDARDS (MED 1)**

The income standards used in determining eligibility for MA A, MA B, and MA D AGs are based on AG size, composition, and living arrangement. The following sections list the income standards to be utilized in a given case.

All of the income standards that normally increase based on the annual Social Security cost of living adjustment effective in January are continuing at the 2009 level since there was no COLA in 2010.

3010.20.05 Eligibility Income Standards (MED 1)

The monthly income standards listed in this section are used in the eligibility determination. (f9) These standards are effective January 1, 2009.

\$674- unmarried applicant/recipient of any age; or applicant/recipient not living with a spouse;

\$1011- married couple, either or both of whom are applicants/recipients;

\$337- a dependent child; applicable for a child not in an MA assistance group or one who is in an MA assistance group other than MA B or MA D;

\$338- an essential person;

\$674- one parent of the child applicant/recipient;

\$1011- two parents of the child applicant/recipient;  
and

\$337- stepparent.

3010.20.10 Post-Eligibility Standards (MED 1)

The policies stated in this section apply only to the MA A, MA B, and MA D categories of assistance.

The purpose of post-eligibility is to determine the institutionalized applicant's/recipient's liability to the facility. This determination also establishes the amount of the institutionalized applicant's/recipient's income which is allocated to meet the needs of his community spouse and certain other family members. The following standards are used in the post-eligibility calculation:

Personal needs allowance:

- \$52 (f10)

Effective 7-1-02 (\$50 effective 7-1-99) this is the minimum amount allowed for all applicants/recipients except as stated below for certain veterans.

- \$90 (f11)

This is the maximum amount of the reduced VA benefit payable to a single veteran or veteran's

widow in a nursing facility. The amount of the reduced VA benefit is the personal needs allowance for the individual.

- In specific situations, an additional individual amount for increased personal needs is to be deducted. Refer to Section 3455.15.10.

Spousal allocation (f12) based on:

- Spousal Income Standard -\$1823 effective 7-1-09; (\$1751 effective 7-1-08)
- Shelter Standard - \$547 effective 7-1-09 (\$526 effective 7-1-08)
- Maximum Maintenance Standard - \$2739 effective 1-1-09; (\$2610 effective 1/1/08)

Family allocation (f13) based on:

- 1/3 of the difference between a family member's income and \$1823 effective 7-1-09; (\$1751 effective 7/1/08)

**3010.20.15 Special Income Level Used For Waiver Services (MED 1)**

The Special Income Level (SIL) used in determining eligibility under certain HCBS waivers is 300% of the SSI Maximum Benefit Rate. Effective 1/1/09, the SIL is \$2022.

**3010.20.20 Income Standard/Premiums for M.E.D. Works**

The income standard for MADW and MADI is 350% of the Federal Poverty Level. Effective March 1, 2009 the standard is \$3,159. Premiums are listed in the following table.

<b>PREMIUMS</b>						
<b>Family Size</b>	<b>Monthly Gross Income Premium Amount</b>

**3010.25.00 INCOME STANDARDS (MED 2)**

The MED 2 income standards are based on the TANF standards.

This chart lists the monthly income standards to be used for MA C, MA 3, MA Q, MA U, MA T, MA O, and MA M, categories of assistance. (f14)

For all MED 2 categories other than MA Q, the AG's net income may not exceed the monthly income standard. For MA Q only: AGs with income exceeding the standard may be eligible for Medical Assistance under the spend-down provision.

There is no income standard for the first six months of eligibility. Beginning with the seventh month, the AG's average gross monthly earnings (minus child care expenses) must be equal to or less than 185% of the Federal Poverty Level for TMA eligibility to continue. (f15) The income standards effective 03/01/09 are shown below:

**3010.30.00 INCOME STANDARDS (MED 3)**

There are no income standards for the MA E category of assistance.

The income standards for the MA 2, MA Y, MA Z, MA N, MA 9 and MA 10 categories of assistance are based on the Federal Poverty Guidelines. The size of the AG determines the income standard to be used. Gross income and net income may not exceed the standards in order for financial eligibility to exist. The following sections list the standards to be used in the consideration of income.

3010.30.05 Income Standards/Child Age 6 - 19 (MED 3)

This chart lists the monthly income standards to be used for the MA 2 (MA for a Child Age 6 - 19) category of assistance effective March 1, 2009. Financial eligibility exists if net income is less than or equal to the standards per AG size. (f16) The income standard is based on 100% of the Federal Poverty Level.
