The Wastewater Operator Certification Examination may now be taken electronically at any of the 25 Ivy Tech locations having testing facilities. Ivy Tech testing centers provide a controlled environment and are generally available six (6) days per week. For more information please refer to <http://www.ivytech.edu/corporatecollege/workforce-cert-center/>.

Prior to taking the examination, the *Application for Wastewater Operator Certification Examination* form, State Form 47289, must be completed and submitted to the Indiana Department of Environmental Management (IDEM) with a \$30 application fee. This application form can be found at http://www.in.gov/idem/5157.htm#owg_cert_education. Once IDEM approves the application, the applicant will receive an approval letter. Ivy Tech should then be contacted to make a reservation to take the examination. A \$30 proctor fee will be required. The approval letter must be presented to the Ivy Tech proctor upon entering the examination area. Once the examination has been completed, the results will be shared immediately.
