List of Equipment Vendors – Perc separator wastewater treatment

August 2012

The following is a list of companies that have indicated they offer Perc separator water equipment. This list was compiled from sources available to IDEM's Office of Pollution Prevention and Technical Assistance (OPPTA) at the time of compilation. If you offer such equipment for sale and would like your company name added to this list, please contact OPPTA at (317) 232-8172. This list will be updated periodically as necessary. This list should not be considered a comprehensive directory of all equipment vendors. This list should not be construed as a recommendation or endorsement of any person, or company, or type of equipment. IDEM cannot guarantee the quality or effectiveness of any product or service offered by any person or company on this list and IDEM therefore disclaims all liability resulting from the use of this list. Similarly, IDEM does not guarantee that any of the equipment offered by these vendors complies with local, state or federal environmental rules and regulations.
