Clean Air Indiana Business Challenge

- **Businesses will be invited to participate in a challenge to reduce NOx and/or VOC emissions at your facility.**
- **IDEM will recognize each winning proposal with a formal ceremony at the winner's place of business, feature each winning proposal prominently on the IDEM Clean Air Indiana Web site, and issue news releases to publicize the winning proposals.**

2008 Annual Pollution Prevention Pledge Recertifications

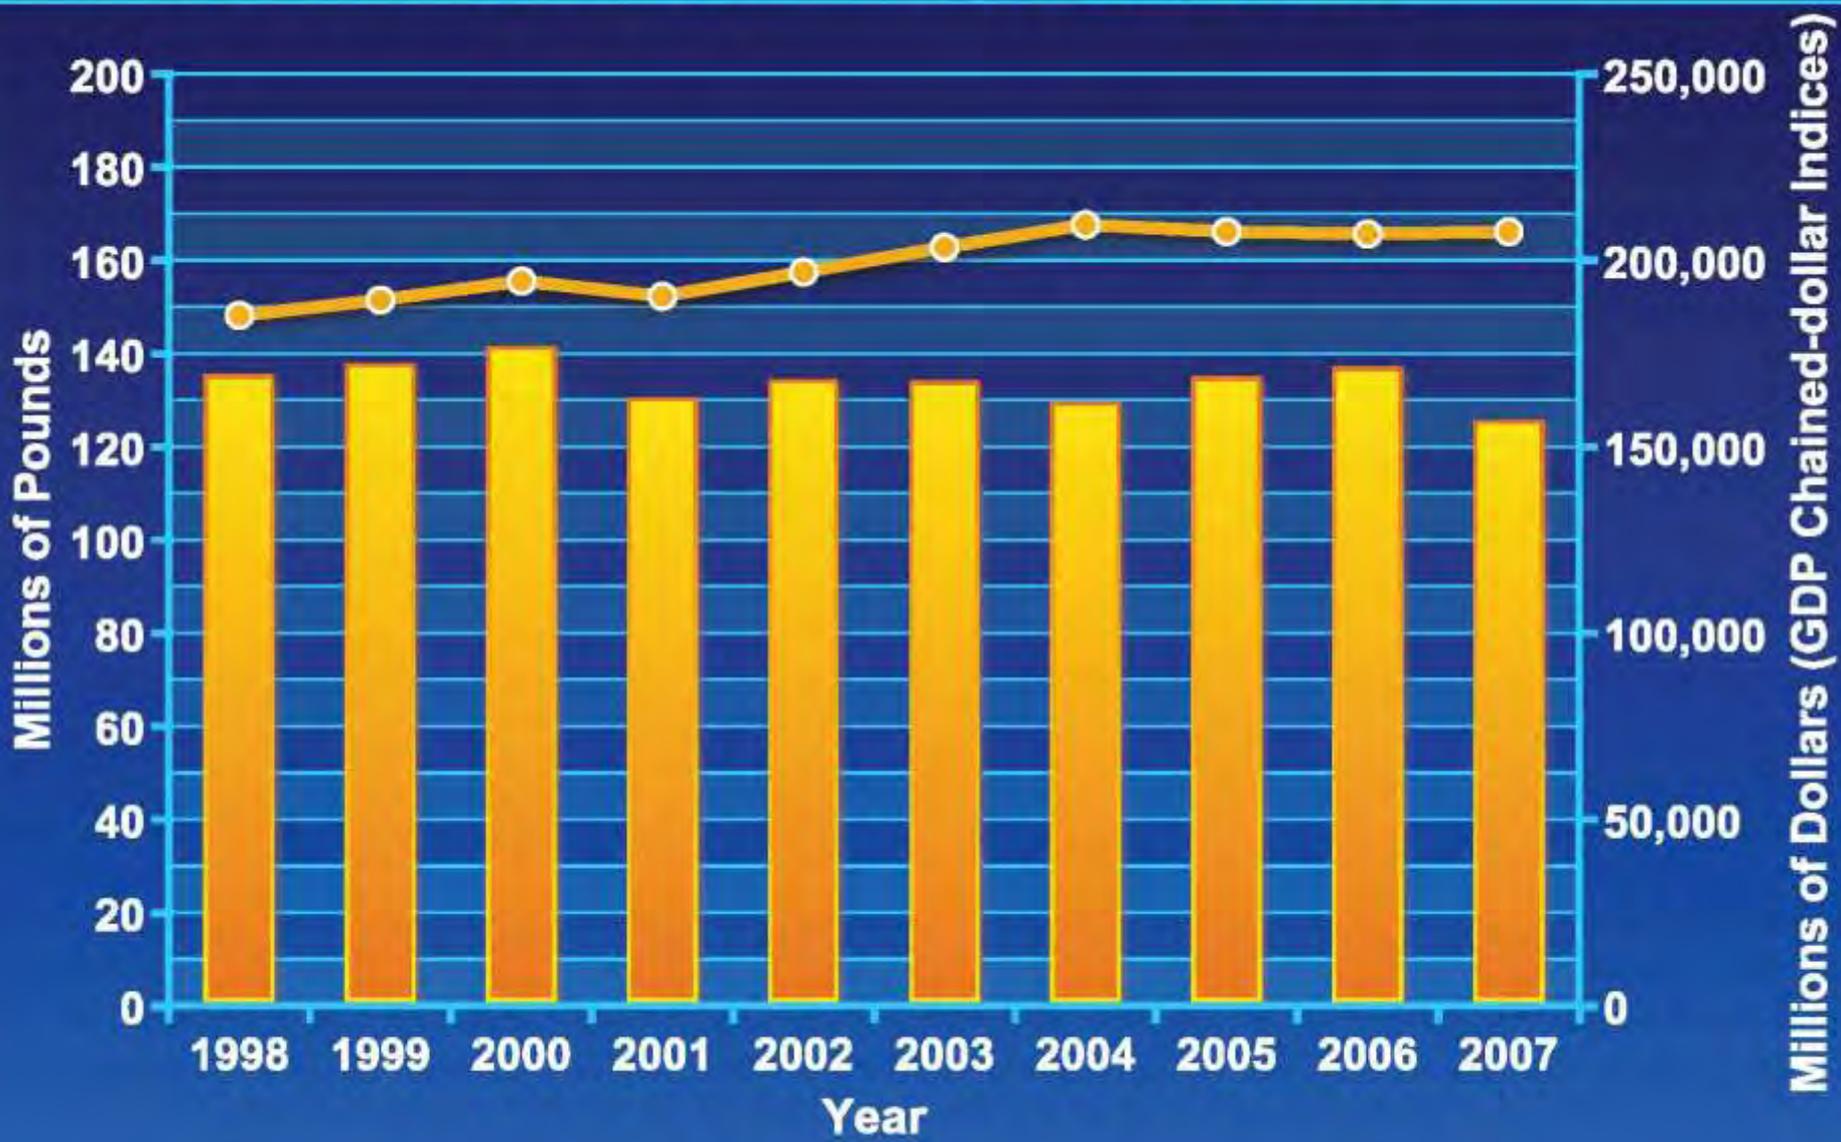

- Due July 10th, 2009
- Changes made to the form
 - Area added to collect recycling data
 - Removed reoccurring years question
 - If you are an Environmental Stewardship Program Member, we ask that you do not include the project information that was submitted on your Annual Performance Report on your recertification to avoid double counting.

Indiana's Toxic Release Inventory 2007

- Indiana's on-site toxic releases decreased by 11.3 million pounds in 2007.
- An 8% decrease compared to 2006.
- Levels are the lower than when reporting began in 1988, when fewer chemicals required reporting and utilities were not included.

Indiana Economy Compared to TRI Releases

PROJECT SUMMARY

Nomination reviewers must be able to understand the project and why it deserves an award from this description, and will be part of the judging process.

Please remember: the initial nomination review will be based upon the project summary and answers to the questions. This information must demonstrate to the reviewers how the project or individual meets the criteria for the category chosen, and why an award is deserved.

The review committee will evaluate the following information:

- A full description of the project, along with a brief project summary
- An explanation of how the project serves to advance environmental excellence
- The project's economic benefits and savings, in detail
- How the project has improved the community or workplace
- How the project reflects leadership commitment to these improvements
- How the project can be transferred to other organizations
- The features that make the project outstanding
- The project's overall environmental impact

Please Note:

Applicants and nominees are encouraged to strengthen their project's nomination by using the additional selection criteria, as listed under the Common Questions Section of the Web Site.

Answer the questions that pertain to your award category. These questions can be located at this link. <http://www.in.gov/idem/5153.htm>

Select one of the topics from the category that you selected, to find the typical questions which you'll need to address in your application:

- Energy/Renewable Resources
- Greening the Government
- Land Use
- Outreach or Education
- Pollution Prevention
- Recycling/Reuse
- Five Years' Continuous Improvement

Please limit the answer portion to three double-sided pages in hard-copy format.
