Telephone: (800) 988-7901
FAX: (317) 234-6573
www.cleancommunities.IN.gov

The Indiana CLEAN Community Challenge Annual Performance Report should demonstrate progress toward objectives and targets AND certify CLEAN Community Challenge requirements continue to be achieved. The Annual Performance Report should include the status of projects committed to in your community's original application, results of completed projects, and assurance that an annual Quality of Life Plan review was conducted by your community. Indiana CLEAN Communities must submit an Annual Performance Report two months after the anniversary of their CLEAN Community designation date.

Please do not include any confidential community or business information in your Annual Performance Report. Public access laws require IDEM to make the Annual Performance Report publicly available, which may include posting all portions of your report on the Indiana CLEAN Community Challenge Web site.

Your Annual Performance Report should be reviewed and signed by a senior manager at your community prior to submittal. Once signed, fax or mail the report to IDEM. If you have any questions, please contact the CLEAN Community Challenge Program Manager at 800-988-7901.

Mailing Address (number and street) 500 S. River Road
City, State, ZIP Code West Lafayette, IN 47906
Reporting Period Dates (month, day, year) June 15, 2010 - June 15, 2011
If this is your third Annual Performance Report, do you wish to renew your Indiana CLEAN Community Challenge designation? <input type="checkbox"/> Yes <input type="checkbox"/> No
If yes, your community will need to provide five new objectives and targets in the Continual Environmental Improvement section of this report.

ENVIRONMENTAL MEDIA ACTIVITIES

Please identify the five objectives and targets in your Quality of Life Plan and describe the baseline measurement, the progress made during the past year, future plans for achieving each target, and any cost savings experienced as a result of the target.	
Environmental Media Activity #1	
Objective Reduce the amount of solid waste (rubber) by reusing tire cores and by purchasing recap tires from vendor.	
Target By June 2010, the Street, Sanitation, and Recycling Dept. will use only recap tires on 10:00 x 22 truck rims with the exception of steer tires.	
Baseline	Progress Made
	Calendar year 2010 Progress made 35% of 104 total tires
	Calendar year 2011 Progress made 54% of 104 total tires
	Hurdles overcome None
Upcoming Plans to Achieve Target	Cost Savings
Continue purchase of recaps as tires need replaced.	\$9,805.20
If this is your third annual performance report, please provide the final results of this activity. If the objective and target were not achieved in the three year designation period, provide a description of why the objective and target was not met. N/A	

Environmental Media Activity #2	
Objective Reduce solid waste sent to landfill through increased recycling.	
Target Increase recyclables collected from City Hall by 10% in 2011 and 10% in 2012.	
Baseline	Progress Made
over 700 pounds of recycling collected in a month.	Calendar year 2011 Progress made Recycling rate nears 60% at City Hall already. Calendar year Progress made Hurdles overcome Opportunity for improvement may be limited.
Upcoming Plans to Achieve Target	Cost Savings
Reconsider which city department to target for improvement.	
If this is your third annual performance report, please provide the final results of this activity. If the objective and target were not achieved in the three year designation period, provide a description of why the objective and target was not met. N/A	

Environmental Media Activity #3	
Objective Improve infrastructure to encourage walking and biking.	
Target Increase miles of paved multi-use trails by 15% by November 2012. Increase non-motorized transportation and transit commuting by City employees	
Baseline	Progress Made
17.06 miles of paved multi-use trails.	Calendar year 2011 Progress made 1.3 mile Wabash Heritage Trail extension underway Calendar year Progress made Hurdles overcome
Upcoming Plans to Achieve Target	Cost Savings
Continue Wabash Heritage Trail Extension Multi-use paved trails included in Western Interceptor project.	
If this is your third annual performance report, please provide the final results of this activity. If the objective and target were not achieved in the three year designation period, provide a description of why the objective and target was not met. N/A	

Environmental Media Activity #4	
Objective Increase use of compostable dinnerware at community activities as feedstock for methane digester/electricity generator.	
Target Create a system of utilization and collection of compostable dinnerware and digestion of these materials to generate methane as a source of electric energy by December 2012.	
Baseline	Progress Made
	Calendar year 2010 Progress made Collected 25 bags of food waste/compostables at Global Fest Calendar year Progress made Hurdles overcome Vendor buy-in to using compostables.
Upcoming Plans to Achieve Target	Cost Savings
Continue food waste and compostable dinnerware collection at Global Fest on September 3, 2011.	
If this is your third annual performance report, please provide the final results of this activity. If the objective and target were not achieved in the three year designation period, provide a description of why the objective and target was not met. N/A	

Environmental Media Activity #5	
Objective Increase the use of alternative fuel for certain city vehicles.	
Target Produce or use 5,000 gallons of biodiesel by September 2012. Purchase one electric vehicle by September 2012.	
Baseline	Progress Made
Tracking fuel usage of city fleet vehicles.	Calendar year 2010 Progress made Research electric vehicles and their availability Calendar year 2011 Progress made 3 City departments involved in demo of electric car Hurdles overcome
Upcoming Plans to Achieve Target	Cost Savings
Continue evaluating selection of vehicles as more come to market.	
If this is your third annual performance report, please provide the final results of this activity. If the objective and target were not achieved in the three year designation period, provide a description of why the objective and target was not met. N/A	

ANNUAL EMS AUDIT
Summarize the results of the Annual EMS Audit your community performed on the Quality of Life Plan. Opportunities for improvement including better tracking toward goals and better community outreach.

COMMUNITY AND BUSINESS OUTREACH
Briefly describe the information presented to the community and businesses to keep residents informed of important issues related to the community's environmental performance, including how the status of Quality of Life Plan objectives were relayed to the community. Progress toward goals is featured in our City newsletter.

CONTINUAL ENVIRONMENTAL IMPROVEMENT
If this is your third Annual Performance Report and your community desires to continue membership as an Indiana CLEAN Community, please provide five new objectives and targets your community will commit to during the next three year designation period, otherwise skip to the next section. N/A

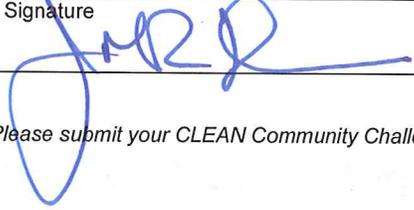

ADDITIONAL INFORMATION
Please provide the following additional information.
<ol style="list-style-type: none"> List environmental awards received or voluntary programs participated in during the past twelve months (include information about each particular program). Governor's Environmental Excellence Award for our Go Greener Commission's Public Outreach and Education Has your community taken advantage of any CLEAN benefits? If so, please describe which benefits were used, the implementation process, and ideas for additional benefits IDEM should consider. N/A Is your community pursuing ISO 14001 EMS certification? If yes, how has the Indiana CLEAN Community Challenge program been instrumental in achieving ISO 14001 EMS certification? N/A Explain the measured or perceived results from receiving, documenting, and responding to external communication and its effect on Quality of Life Plan objectives and targets? Explain the emergencies experienced within the community during the past year. Were the applicable emergency and contingency plans detailed in the Quality of Life Plan effective? What changes, if any, have been made to your community's emergency or contingency plans? N/A How have community residents and businesses reacted to your community participating in the Indiana CLEAN Community Challenge? Reaction to our efforts is positive. Residents enjoy our trails and appreciate our varied recycling efforts. According to the measurement program developed and implemented by your community to measure Quality of Life Plan success, is your community's Quality of Life Plan successful? Why or why not? If not, what changes will be made to ensure continual environmental improvement and future Quality of Life Plan success? One of the more significant benefits of the QOL plan has been to keep projects on track with documentation requirements and a written commitment to our environmental goals.

CERTIFICATION AND PLEDGE

I certify that the information contained in this Annual Performance Report and attachments is accurate to the best of my knowledge and that this local government is, to the best of my knowledge and based on reasonable inquiry, currently in compliance with all applicable federal, state, and local environmental requirements, or has a corrective action program in place to attain compliance.

We, the City of West Lafayette, commit to maintaining the principles and goals outlined in our Quality of Life Plan for our local government's Indiana CLEAN Community status. We agree to strive for full compliance with all regulations promulgated by U.S. EPA, the state, and/or local jurisdictions. We agree to promote the Indiana CLEAN Community Challenge and to share our success stories with other communities. We understand that the Annual Performance Report must be submitted to the local government and IDEM and that we must reapply to the Indiana CLEAN Challenge every three years.

I understand that the information provided in this Annual Performance Report will be public record. I am the highest-ranking community official or I have been fully authorized by the highest-ranking community official to execute this statement on behalf of the local government submitting this Annual Performance Report.
