

## INVITATION TO BID

**Project:** IU Health New Downtown Hospital, Indianapolis, IN Bid Release 9

**Description:** The IU Health New Downtown Hospital (NDH) will be a new, state-of-the-art hospital composed of both inpatient and outpatient clinics, along with associated diagnostic, treatment, and other support programs. The IUH NDH Building (Hospital) will feature three parallel East-West oriented inpatient towers connected by a central circulation core, all of which sit on a multi-level podium. The main public entrance will be located on Senate Avenue on the West side of the building, while the Emergency Department will be located on the south side of the building with its own drop-off and entry access. The hospital will extend one level below grade and sixteen (16) levels above grade. F.A. Wilhelm Construction will be bidding the below bid packages and are looking for minority participation with regards to this project:
