The Purdue LAF Terminal is a new terminal facility that will house TSA passenger screening, ticketing, baggage claim and waiting areas for departing flights. This project represents an exciting expansion of services offered to the West Lafayette community. The new terminal will be approximately 8,400 square feet of new space and includes site work, site utilities, paving, concrete foundations and slabs, structural steel, metal panels, interior framing, concrete polishing and more.

Turner has XBE goals as follows: 20% XBE.

All interested bidders must go online at <https://forms.office.com/r/P8tTskB0cs> to access the Request to Pre-Qualify form. YOU must be Pre-Qualified to be eligible to receive an invitation to bid on the above referenced project. Direct all questions to Zach Tran at 317-473-3481 or ztran@tcco.com.
