Sandra Morton – Negotiated Bid #24-76202  
Indiana Department of Administration  
Procurement Division  
402 W Washington St – W468  
Indianapolis, IN 46123

Dear Sandra,

Enclosed you will find a Flash Drive with the documentation for Negotiated Bid #24-76202. This is my first time responding to a Negotiated Bid for the State of Indiana. I believe I have followed all the guidelines in responding to Negotiated Bid #24-76202. If I have missed anything on my end regarding the enclosed Bid, please let me know and I will remedy.

I will share with Dept of Administration that the ordering Bank for 2024 Ford F250s and F350s opens to Government Municipalities on Monday July, 24<sup>th</sup>. I'm not sure how long the ordering bank will be for Government orders? I would assume not very long. Get your orders in early! As I'm sure the Big 3 automobile manufactures will limit allocation all Government Agencies for the 2024 Model Year.

Once again, I appreciate The Indiana Department of Administration accepting a Bid from City Ford (City AutoMall) in consideration for Trucks on the behalf of all State Agencies. I look forward to working with you and your team when comes to your Commercial Vehicle needs. In the meantime, if you have any questions or concerns...please feel free to email or call me.

Sincerely,

Jeff Junkin
