Traci:

Please accept this letter as our desire to provide the requested goods and services to the State of Indiana, as outlined in RFP 22-71967.

Shaffer Distributing Company is the current provider of vending equipment and related services to the State of Indiana's BVIS program. Shaffer has been providing equipment to the program since the acquisition of J&J Distributing in 1998.

Shaffer continues to represent all major brands of vending equipment, as will be demonstrated in the supporting documentation, and we have a strong desire to continue to provide quality equipment and services to the BVIS program. We currently provide equipment and services to the program from our office located at 6801 Hillsdale Court in Indianapolis, Indiana and employ sixteen individuals within the Indianapolis office. We have been and continue to be in good standing with the Office of Indiana Secretary of State.

I will be the main point of contact and can be reached directly at (614) 429-2244 or via email at cropke@shafferdistributing.com.

Thank you for the consideration.

Best regards,
