## **RE: Response to the Request for Proposal 23-74522**

Dear Ms. Deaton-Reese:

Early Learning Indiana, a nonprofit with more than a century of provider experience and nearly four decades in family referral and community outreach work, has been proud to serve as the State of Indiana's Child Care Resource & Referral Central Office (CCR&R CO) since 2016. On behalf of our team, I am pleased to submit a proposal to continue our work as the CCR&R CO in order to advance the goals of the Office of Early Childhood and Out-of-School Learning and the mission of the Child Care Resource and Referral Network.

### **2.2.1 Summary of Ability and Desire to Supply the Required Products or Services**

Early Learning Indiana fulfills the requirements as defined in Section 2.4 and detailed in the Scope of Work as outlined in our Technical Proposal. ELI is best suited to carry out the work of the CCR&R CO in part because of our deep experience, and also because of our shared vision for the future of the CCRR Network. As outlined in our proposal, ELI is committed to continuing to embrace new technologies, implement new organizing models such as the Whole Family approach, and empower the broader CCRR Network to connect families and communities throughout Indiana with high-quality child care resources.

Early Learning Indiana is equipped and willing to provide the requested services subject to the terms and conditions set forth in the RFP including, but not limited to, the State's mandatory contract clauses.

### **2.2.2 Signature of Authorized Representative**

Pursuant to Article V, Section 1, of the Amended Bylaws of Early Learning Indiana Inc., adopted August 19, 2020, the authority to contractually bind the organization rests in its President and CEO.
