Honorable Stephen W. Robertson Insurance Commissioner Indiana Department of Insurance 311 W. Washington Street, Suite 300 Indianapolis, Indiana 46204-2787

Dear Commissioners:

Pursuant to the authority vested in Appointment Number 3638, an examination has been made of the affairs and financial condition of:

MMA Insurance Company 1110 North Main Street Goshen, IN 46528

hereinafter referred to as the "Company" or "MIC", an Indiana domestic, stock, life and annuity insurance company. The examination was conducted at the corporate offices of the Company in Goshen, Indiana.

The Report of Examination, reflecting the status of the Company as of December 31, 2009, is hereby respectfully submitted.

SCOPE OF EXAMINATION

The Company was last examined by representatives of the Indiana Department of Insurance (IDOI) as of the period ending December 31, 2004. The present risk-focused examination covered the period from January 1, 2005, through December 31, 2009, and was conducted by Huff, Thomas & Company (HuffThomas) and included any material transactions and/or events occurring subsequent to the examination date and noted during the course of this examination.

In conducting the risk-focused examination, the IDOI, by its representatives, relied upon the independent audit reports and opinions contained therein rendered by BKD LLP for each year of the examination period. Such reports were prepared on a statutory basis and reconciled to the financial statements contained in the respective Annual Statements.

Jeffrey Beckley, FSA, MAAA, of Actuarial Options, LLC, a consulting actuary appointed by the IDOI, conducted a review of the Company's Aggregate Reserves for Life and Accident & Health (A&H) Contracts and Contract Claims for Life and A&H as of December 31, 2009.

This risk-focused examination was conducted in accordance with procedures and guidelines prescribed by the National Association of Insurance Commissioners (NAIC) for the purpose of determining the Company's financial condition. Examination procedures included the verification and evaluation of assets, determination of liabilities and review of income and disbursement items, minutes, corporate documents, policy and claim files, and other records to the extent deemed necessary.

The comments and recommendations from the previous IDOI examination were reviewed. It was noted the Company has taken corrective action with respect to all prior recommendations.

HISTORY

MIC was incorporated February 4, 1987, as ShareNet Insurance, and commenced business on August 1, 1988, as a stock life insurance company. On December 5, 1992, the Company changed its name from ShareNet Insurance, Incorporated to MMA Insurance Company. The Company was formed to provide group life and accident and health insurance for persons not qualifying as members of its fraternal parent, Mennonite Mutual Aid Association (MMAA).

CAPITAL AND SURPLUS

As of December 31, 2009, MIC had 500,000 authorized shares of common stock. All shares of common stock were issued and outstanding. MIC's common stock has a par value of \$10 per share. MMA Holdings, Inc. owns 100% of MIC's common stock. The amount of issued common capital stock did not change during the period under examination. The Company has no preferred stock authorized, issued or outstanding.

Gross Paid-In and Contributed Surplus

During the period covered by this examination the Company received the following contributions to its gross paid-in and contributed surplus from its parent, MMAA.

<u>Year</u>	Contributed Surplus
2008	\$ 500,000
2007	500,000
2006	1,000,000
2005	1,000,000

DIVIDENDS TO STOCKHOLDERS

During the examination period the Company did not declare or pay dividends to its sole stockholder.

TERRITORY AND PLAN OF OPERATION

As of December 31, 2009 the Company was licensed in the following sixteen (16) states.

Arizona	California	Colorado	Idaho	Illinois
Indiana	Iowa	Kansas	Maryland	Michigan
Nebraska	Ohio	Oregon	Pennsylvania	South Dakota
Virginia				

MIC primarily underwrites accident & health insurance (\$15.4 million direct premium) and individual annuities (\$2.1 million). These two lines of business comprised approximately 99% of the Company's direct written premiums as of December 31, 2009. MIC's products are predominantly group medical insurance products. The Company also offers group term life insurance, accidental death and disability, and weekly income disability. MIC's primary product is ShareNet Employer Plan (SNEP). SNEP is a small employer group major medical plan serviced by a third party administrator, Key Benefit Administrators of Indianapolis. The Company's products are marketed by regional offices across the United States and are sold through a network of field staff and independent agents.

GROWTH OF THE COMPANY

Comparative financial data, as reported in the Company's financial statements for the period under examination, was as follows:

		Admitted				Capital &	Premium	Net
<u>Year</u>		<u>Assets</u>		<u>Liabilities</u>		<u>Surplus</u>	<u>Income</u>	<u>Income</u>
2009	_\$_	27,329,103	_\$	13,810,505	\$_	13,518,598	\$ 16,558,309	\$ 109,069
2008		24,955,644		12,141,096		12,814,548	19,491,826	220,201
2007		21,923,179		9,806,840		12,116,339	18,747,587	(911,839)
2006		20,579,732		7,837,747		12,741,985	19,988,112	(92,430)
2005		18,569,548		6,625,368		11,944,180	21,001,020	351,420

The increase in Assets and Liabilities in 2009 was primarily attributable to the growth in the Company's annuities. The Company's net income, net unrealized capital gains and change in non-admitted assets were the largest contributing factors to the increase in MMA's 2009 surplus. The decrease in premium income during 2009 was mostly the result of a decline in the Company's health insurance business.

LOSS EXPERIENCE

The loss experience of the Company's accident and health business for the period under examination is presented in the following schedule:

Year	A&H Premiums Earned	Losses and Loss Expenses Incurred		Inderwriting Expense Incurred	Loss and Loss Expense Ratio	Underwriti ng Ratio
2009	\$ 14,425,441	\$ 13,303,572	\$	3,482,971	92.22%	24.14%
2008	15,129,264	11,820,631		3,494,635	78.13%	23.10%
2007	17,999,951	14,372,299		4,978,848	79.85%	27.66%
2006	19,568,113	15,533,349		5,138,498	79.38%	26.26%
2005	20,543,601	16,098,969		5,021,621	78.36%	24.44%

The increase in the Company's Loss and Loss Expense ratio during 2009 was generally the result of the increasing upward trend in the cost of health care.

RESERVES

Robert W. Guth, FSA, MAAA, is the Company's Appointed Actuary. Mr. Guth was appointed by the Board of Directors on August 23, 1999, to render an opinion on the statutory-basis loss reserves of the Company. Mr. Guth provided the Company's actuarial opinion for each year under examination.

The scope of the opinion was to examine the actuarial assumptions and methods used in determining reserves and related items, as shown in the Annual Statement of the Company as prepared for filing with state regulatory officials. In forming the opinion, information prepared by the Company was relied upon. This information was evaluated for reasonableness and consistency. In other respects, the examination included such review of the actuarial assumptions and methods used and such tests of the calculations as considered necessary.

The 2009 opinion stated the balances of reserves 1) are computed in accordance with presently accepted actuarial standards consistently applied and are fairly stated, in accordance with sound actuarial principles 2) are based on actuarial assumptions which produce reserves at least as great as those called for in any contract provision as to reserve basis and method, and are in accordance with all other contract provisions 3) meet the requirements of the insurance law and regulations of the state of Indiana and are at least as great as the minimum aggregate amounts required by the state in which this statement is filed 4) are computed on the basis of assumptions consistent with those used in computing the corresponding items in the Annual Statement of the preceding year-end and 5) include provision for all actuarial reserves and related statement items which ought to be established.

During the examination, it was determined by the IDOI consulting actuary, Jeff Beckley, FSA, MAAA, of Actuarial Options, LLC, the significant actuarial items in the Company's 2009 Annual Statement are materially correct and fairly stated in accordance with statutory accounting practices prescribed or permitted by the IDOI.
