PRESS RELEASE FOR FACT FINDING HEARING

The Indiana Education Employment Relations Board ("IEERB") has ordered the **Flat Rock-Hawcreek School Corporation and Flat-Rock Hawcreek Teachers Association** participate in a public fact finding hearing. The purpose of fact finding is to review both parties' last best offer and supporting presentation. The Fact finder will render a written binding report, which is made public through the local media once it is officially released by the Indiana Education Employment Relations Board. This case has been assigned Case No. **F-13-02-0370**.

In accordance with Indiana Code 20-29, the public hearing for this case will be held **Tuesday, November 19, 2013, at 9:00 a.m. in the Flat Rock-Hawcreek Board room, Door 4, located at 9423 N State Road 9, Hope, Indiana.** The Fact finder presiding over the hearing is **Bernard "Buddy" Pylitt**.

IEERB was established by statute in 1973 to promote harmonious and cooperative relationships between public school teachers and the school corporations they serve, thereby improving education for all Hoosier children. Among IEERB's major functions are conciliation and mediation, fact-finding, research, unit determination and representation, and unfair labor practice adjudication. More information is available on IEERB's website (www.IN.gov/ieerb).

On occasion, it becomes necessary to continue the case to a later date or a scheduled hearing does not occur because the case is settled by the parties. It is prudent to check with the parties or with the IEERB before attending a hearing to ascertain whether the scheduled hearing will actually take place. If you have any questions regarding this matter, please contact Sarah Cudahy in the office at 317-233-6620.
