Former RJ Refinery
County Road 350 South
Princeton, Gibson County, Indiana
August 2019

This administrative record index has been prepared in cooperation between the Indiana Finance Authority (IFA), through the Indiana Brownfields Program (Program), and Gibson County (County) for the Revolving Loan Fund (RLF) Subgrant from the IFA to the County, for the cleanup of the Former RJ Refinery located north of County Road 350 South in Princeton, Indiana (Site). This administrative record index is provided in accordance with the public notice requirements of the IFA's Brownfield RLF Cooperative Agreement with the U.S. Environmental Protection Agency (U.S. EPA).

Subgrantees utilizing U.S. EPA funding for cleanups must provide the community with an opportunity to provide input on Site cleanup and plans for redevelopment. The public must also have the opportunity to comment on the various required documents drafted in preparation for the environmental cleanup, and any comments must be considered as part of final cleanup decisions. The following documents will be provided at the public repository at Gibson County North Annex at 225 North Hart Street in Princeton, Indiana 47670:
