## Footnotes

- 1 A community must submit a complete Preliminary Engineering Report to the CWSRF Loan Program in order for the project to be scored and ranked on the Project Priority List (PPL).
- <sup>2</sup> Additional subsidization may be provided to participants who have a low Median Household Income (MHI) and/or high post-project user rates as outlined in the Intended Use Plan (IUP). The amount of the additional subsidization shall be determined and set forth in the financial assistance agreement.

<sup>&</sup>lt;sup>3</sup> EPA's Clean Water and Drinking Water Infrastructure Sustainability Policy. <u>Category 1</u>: projects that are based on a "fix it first" approach that focuses on system upgrade and replacement in existing communities. <u>Category 2</u>: investigations, studies, or plans that improve the technical, managerial, and financial capacity of the assistance recipient to operate, maintain, and replace financed infrastructure. <u>Category 3</u>: preliminary planning, alternatives assessment, and eligible capital projects that reflect the full life cycle costs of infrastructure assets, conserve natural resources, or use alternative approaches to integrate natural or "green" systems into the built environment.

<sup>&</sup>lt;sup>4</sup> EE = Energy Efficiency, EI = Environmentally Innovative, GI = Green Infrastructure, WE = Water Efficiency, CR = Climate Resiliency.

<sup>\*</sup> This project priority list was published on July 2, 2021 for a 2-week comment period.
