Re: Housing Choice Voucher Closes Mainstream Program Waiting List

Effective November 30, 2018 at 5:00PM EST, the Indiana Housing and Community Development Authority (IHCDPA) will no longer be accepting applications for the waiting list to the Housing Choice Voucher (Section 8) Mainstream Program for persons under the age of 62 with a disability.

Individuals in the "Money Follows the Person" program are not affected and applications referred through that program are still being accepted. At such time as the "Money Follows the Person" program ceases, individuals with referrals from qualifying institutions will be accepted.

The Housing Choice Voucher Program comprises the majority of IHCDPA's Section 8 rental assistance programs. IHCDPA administered vouchers help over 4,000 families pay their rent each month. The Housing Choice Voucher covers a portion of the monthly rent and the tenant is expected to pay the balance. The tenants' share is an affordable percentage of their income and is generally calculated to be between 30 to 40 percent of adjusted gross monthly income. Most HCV program services are provided by Local Subcontracting Agencies throughout the state of Indiana.
