Re: IHCD A Real Estate Production- Regional Outreach Meetings

The Indiana Housing and Community Development (IHCDA) Real Estate Development Production Division will be hosting five Regional Outreach Meetings across the State of Indiana. Meetings are intended to provide an overview of IHCDA programs and gather feedback from communities and IHCDA partners on local housing and community development needs, challenges, and policies. IHCDA invites representatives from local units of government, community agencies, and the public to attend.

If you are interested in attending a meeting, please RSVP to Katie Hall, Real Estate Coordinator at kahall@ihcda.in.gov. IHCDA also invites our partners to reach out in advance to add agenda items that they would like to be discussed. Please send any topics and/or questions to Samantha Spergel, Director of Real Estate Production at sspergel@ihcda.in.gov.
