Indiana Housing and Community Development Authority is pleased to partner with Costello Compliance to provide a free webinar training that will benefit owners, compliance staff, developers, and onsite property management staff of Rental Housing Tax Credit Properties and other rental properties subject to compliance with protections under the Violence Against Women Act.

Managing the VAWA Process with 2022 Updates. (1.5 hours)

Wednesday, August 10, 2022 2:00-3:30 PM Eastern Time

How does the Violence Against Women Act relate to Fair Housing? Why is this connection stronger than ever, with potential massive financial implications to affordable housing providers? This session will discuss the basics of VAWA and how the 2022 reauthorization of the Act affects enforcement of VAWA.

The course presenter, Scott Michael Dunn, is Costello Compliance's CEO. He has over three decades of experience in affordable housing and training in housing rules.

Plan to leave prepared to better provide VAWA protections.
