First Lady Cheri Daniels’ annual “Hoosiers Helping Hoosiers” (HHH) food drive helps those who are in need through local food banks and other outlets.

Many INDOT employees across the state demonstrated their generosity by contributing more than 6,300 non-perishable food items and toiletries. Additionally, nearly \$2,800 in cash was collected through monetary donations and fundraising events such as bake sales, breakfasts and lunches.

The “official” HHH coordinators across the state (see list below) want to thank all employees who assisted and participated in any way – they are truly “Hoosiers Helping Hoosiers.”

- **Mary Ann Jorns - Central Office** (with assistance from Jenny Ziemer, LaShelle Michael, Linda Clarke, Katie Daniels, Therese Owen and Debra Curlin-Brown)
- **Cindee McKie and Pat Toth - LaPorte District**
- **Toni Mayo and Kirk Smith - Fort Wayne**
- **Cassandra Hudson - Greenfield**
- **Debbie Calder - Crawfordsville**
- **Mistey Francis - Vincennes**
