RE: FY2010 - FY2013 Indiana State Transportation Improvement Program (INSTIP) administrative modification #4

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP administrative modification **from the Indianapolis Metropolitan Planning Organization**. The Administrative Modification is dated August 4, 2010. We concur with this administrative modification and it will be reflected by reference in the 2010-2013 INSTIP.

We have determined that the administrative **modification** is: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

Larry Buckel

RE: Approval of Administrative Modification to the 2009-2012
Indianapolis TIP

Dear April,

This is to inform you of the approval of an administrative modification to the 2009-2012 Indianapolis TIP. The MPO concluded that the modification is air quality exempt, per 40 CFR 93.126 & 127, and there is no need to update the conformity analysis or issue a new conformity finding. The Air Quality Consultation Group has been provided a copy of this modification for informational purposes. The modifications are listed below:

- For IndyGo: - Earmark # E2008-BUSP-0765 - Bus Earmark for IndyGo in the amount of \$160,000. To prevent earmark from lapsing, modify description from "statewide electric hybrid busses," to "IndyGo - for incremental cost of hybrid electric bus." Total project cost is \$200,000 (\$160,000 federal earmark and \$40,000 local match). **Modify description in FY 2010.**

A hard copy of this notice will not be sent. Revised IRTIP Title Pages, and Addendum Tables that incorporate the modification into the 2009-2012 IRTIP will be available with the next set of quarterly amendments. Should you have any questions or comments please contact me at 327-5137.
