Re: FY2010-2013 Indiana Transit STIP Amendment #4, dated May 11, 2010  
FY2010-2013 Indiana Transit STIP Amendment #5, dated July 13, 2010

Dear Mr. Buckel:

We have reviewed the State Transportation Improvement Program (STIP) amendment requests you submitted May 11 and July 13, 2010. The STIP amendment requests amend the Transportation Improvement Programs (TIPs) to add projects for the following:

- Metropolitan Evansville Transit System
- TRANSPO

The TIPs being amended have been endorsed by the appropriate Metropolitan Planning Organizations (MPOs). All of the projects listed in the attached STIP amendment table (Attachment 1) are eligible for FTA funding.

We have determined that the amended TIPs and STIP amendment is financially constrained and that the projects are consistent with the MPO and statewide transportation plans. These projects were developed in accordance with the requirements of 23 CFR 450, and are exempt from the air quality conformity determination process. These projects are approved for inclusion in the STIP.

If you have any questions concerning this STIP amendment, please contact Mary Campbell at (312) 353-1646 or Reginald Arkell at (312) 886-3704.

Sincerely,

Marisol R. Simon  
Regional Administrator
