FY2010-2013 Indiana Transit STIP Amendment #9, dated September 20, 2010  
FY2010-2013 Indiana Transit STIP Amendment #10, dated September 22, 2010

Dear Mr. Buckel:

We have received the State Transportation Improvement Program (STIP) Amendments #8, #9 and #10 that you recently submitted for review by FTA Region 5. At this juncture, American Recovery and Reinvestment Act (ARRA) grant amendments cannot be processed in TEAM to meet the September 30, 2010 deadline. Therefore, STIP amendment requests for ARRA projects will not be approved (This includes all projects in STIP Amendment #8 and some projects in STIP Amendment #10.). The non-ARRA STIP Amendment requests amend the Transportation Improvement Programs (TIPs) to add projects for the following:

- Greater Lafayette Public Transportation Corporation
- Michiana Area Council of Governments

The TIPs being amended have been endorsed by the appropriate Metropolitan Planning Organizations (MPOs). All of the projects listed in the attached STIP amendment table are eligible for FTA funding.

We have determined that the TIP/STIP amendments for non-ARRA projects are financially constrained and that the projects are consistent with the MPO and statewide transportation plans. These projects were developed in accordance with the requirements of 23 CFR 450 and are exempt from the air quality conformity determination process. The non-ARRA projects in STIP Amendments #9 and #10 are approved for inclusion in the STIP.

Please contact Mary Campbell at (312) 353-1646 or Reginald Arkell at (312) 886-3704 if you have any questions. Thank you.

Sincerely,

Marisol R. Simon  
Regional Administrator
