LEGAL NOTICE OF
FINAL ENVIRONMENTAL

Notice is hereby given that the (Name of Sponsor) plans to proceed with the (Name and location of the project).

Subsequent to reviewing and considering all comments and materials received as a result of the official (Name of Sponsor) Public Hearing at the (Name of location and date of the public hearing), a Final Categorical Exclusion Environmental document is now available for public viewing. This concludes the National Environmental Policy Act (NEPA) phase and serves notice that responses are now available addressing issues brought forward during the public hearing process.

Environmental analysis documentation, including the resolution to public hearing comments, will remain available for public inspection at the following location(s) for a period of 30 days ending (day and date):

1. List Location(s)
2. In addition - Website if applicable and or available

In accordance with the Americans with Disabilities Act, if you have a disability for which (Name of Sponsor) needs to provide services to review the document such as interpreters, signers, readers, or large print, please contact (Name and phone number).

(Name of Sponsor) sincerely appreciated the community's participation and interest in this project and looks forward to continuing engagement as the project advances toward construction.

This notice is published in compliance with: 1) Code of Federal Regulations, Title 23, Section 771 (CFR 771.111(h)(1) stating, "Each State must have procedures approved by the FHWA to carry out a public involvement/public hearing program."; 2) 23 CFR 450.210(a)(1)(ix) stating, "Provide for the periodic review of the effectiveness of the public involvement process to ensure that the process provides full and open access to all interested parties and revise the process, as appropriate."; and 3) The INDOT *Public Involvement Policies and Procedures* approved by the Federal Highway Administration on August 16, 2012.
