

Indiana Department of Transportation

Memo

To: Steve Smith
From: Frank Baukert
CC:
Date: 20 February 2007
Re: Columbus MPO Consultation Meeting

Steve,

I spoke by phone with Kent Anderson, head of CAMPO. Due to scheduling conflicts, they will not be able to meet with us. He said that as long as the projects shown in Major Moves were completed, the MPO would be satisfied. He stated that they would review the project listings we sent them and that they'd contact us, if they had any problems.

Sincerely,

Frank P. Baukert
