RE: Preliminary Adoption of On Farm Poultry Processor Exemption, 410 IAC 7-25

The Indiana State Department of Health requests that the Executive Board, at the Board's September 12, 2012, meeting, preliminarily adopt the proposed On Farm Poultry Processor Exemption rule at 410 IAC 7-25. The proposed rule adds 410 IAC 7-25 to incorporate by reference 9 CFR 381.10(c) to allow poultry products slaughtered and processed on a farm for the purpose of conducting limited sales on the farm, at a farmer's market, or at a roadside stand and to require that poultry processed be frozen at the point of sale and labeled in compliance with the requirements of 9 CFR 381.10. This rulemaking is required by the passage of House Enrolled Act 1312 that became effective on May 31, 2012.

A Notice of Intent was published on the Indiana Register Website on July 25, 2012, starting the one year period to adopt this rule amendment.
