Dear Ms. Emley:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 11-458 and proposed by the Indiana State Department of Health ("ISDH"). The proposed rule amends 410 IAC 1-6 and 410 IAC 1-7 to clarify healthcare provider responsibilities as outlined in IC 16-41-6, which was amended by the General Assembly in 2011.

The economic impact statement prepared by the ISDH indicates that the proposed rule compliments the statutory change to bring Indiana regulations in line with best practices and will have no economic impact on small businesses.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 234-3997 or eshields@iedc.in.gov.
